Honorable Kenneth B. Keating
United States Senate
Washington 25, D. C.

Dear Senator Keating:

STAT Thank you for your recent memorandum enclosing a letter you received from [redacted]

STAT We appreciate [redacted] interest in working with us during the summer months. Our needs for temporary employees are quite limited in number, however, and it is not economically practical to investigate and clear young people for such short periods of service. Thus far, we have been able to fill our requirements by recruiting young people who are already associated with the Agency through the employment of their parents and on whom most of the required background information is already available. Consequently, we have followed the practice of limiting our summer-only employment to this group.

STAT We are glad to know of [redacted] interest in our Agency, and are enclosing a set of our application forms and a brochure describing our general employment requirements in the event she may be interested in regular employment at a later date.

Your interest in referring [redacted] was appreciated.

STAT

Sincerely,

John S. Warner
Legislative Counsel
